Driving from the M1

Leave the motorway at junction 33. Take the A630/57 (Sheffield Parkway) towards Sheffield City Centre for about 7 miles, following signs for City Centre A61S. As you approach a large roundabout ensure you are in the left-hand lane marked City A61S. At the roundabout, take the second exit onto Duke Street.

Continue to drive up the road, where you will come through a set of traffic lights at a crossroads. Come straight through to another set of traffic lights, which is also a pedestrian crossing, and is adjacent to Park Library and a small parade of shops on your left. Go through the traffic lights past the library, as you drive further up the road you will spot a post office on your right, take that right, at the post office onto Fitzwaller Road. As you come down Fitzwaller Road you will see a large church on your left, which is Victoria Centre.

On-street parking is available around the centre.
