Voices in Exile is a registered charity that works with refugees, asylum seekers and vulnerable migrants with no recourse to public funds in Sussex and Surrey. We offer both practical and legal support including generalist advice and specialist immigration casework for those who would otherwise be unable to access justice. As part of our holistic approach we also advocate for, accompany and enable people to access services, build community, and develop their own potential through a programme of learning and creative activities. We have just moved to spacious new premises in Kemptown, Brighton, and post holders will form a key part of a small new team working with a new director to develop Voices' services and activities over the next year.

Job purpose:

The post holder will provide one-to-one generalist advice, casework and practical support to migrant and refugee clients in Sussex and Surrey in the areas of housing & homelessness, welfare benefits, asylum support, and family and community care law. Ideally s/he will also be accredited to provide immigration advice at OISC Level 1, or be ready to become accredited within 6 months.

The post holder will need to be able to step immediately into a busy advice environment with the necessary confidence, skills and knowledge to deliver specialist advice, casework and support with minimal supervision, working both from our premises in Brighton and in outreach settings in Sussex and Surrey.
