

#HappyToHost

OVERVIEW

Did you know, last year, more than 1,500 people were involved in 24 hosting schemes across the NACCOM network? This included more than 800 guests and nearly 700 hosts.

This year, inspired by Refugee Week's theme for 2018, '20 Simple Acts', NACCOM members are invited to take part in a new online initiative called **#HappyToHost**.

Featuring video clips and other creative content from volunteers, staff and guests involved with hosting schemes, this is an exciting new way to share experiences of hosting, encourage new people to register their interest in opening up their home in the future, and raise awareness about destitution. For ideas of how to get involved and how it will work click [here](#).

Content can be sent to comms@naccom.org.uk anytime from now until the 20th June.
